

Communication Protocols and General Information

US GEOTRACES Arctic Expedition – HLY1502

- 1) All inquiries and comments for the Coast Guard should be directed through Dave Kadko <dkadko@fiu.edu>, the chief scientist.
- 2) All communication concerning chemical and seawater waste should be directed through Bill Landing <wlanding@fsu.edu>, the co-chief scientist.
- 3) Past email announcements are posted on the US GEOTRACES web site in case you lose track of the emails. See Item #1 under "What's New" at <<http://www.usgeotraces.org/>>.
- 4) Access information about the cruise through the Coast Guard web site at <<http://icefloe.net/healy-current-mission>>.
