Questions, Discussion

11:00- Plenary Discussion- Synthesis themes, synthesis needs, potential groups

12:15- Lunch with ad hoc group discussions. Since we'll have box lunches served, people can break into self-organized groups to talk about results that have been shown and ideas that have been generated by those results.

13:15- Plenary Discussion (cont.)- Synthesis themes, synthesis needs, potential groups

14:00 -Breakout groups

16:00- Plenary reports by breakout groups and discussion

- Continue breakout discussions as time permits

18:00 Adjourn
